Dear John:

KKKKKAAAAA----BBBBOOOOOOOOOOOMMMMMM!!!!!!!!!!

Holy shit, my calculator just exploded as I was trying to figure out how much money you owe me.

If I can find a CRAY super computer within the week to help me work through the numbers, I'll send you an invoice.

Remember, it's "Mike Clark" when you're making out the check.

Thank you,

LOU P.

Sincerely,

Michael C. Clark  
Account Executive
